## EXPERIENCE

Web Development Immersive | Web Developer

General Assembly | Feb 2017 - May 2017

Completed full-stack web development immersive at General Assembly to expand my technical toolkit. Skilled at writing well-designed, testable and efficient code using current best practices in Web development.

Technical Supervisor, SPOC

Custom Computer Specialists, Inc | Oct 2016 - Dec 2016

Provided leadership, applied procedures and handled technical escalations for team members in the network operation center. Performed support and backup assessments for customers in the New England area. Reviewed and managed project requirements and specifications as needed.

NOC Associate Systems Engineer

Custom Computer Specialists, Inc | Nov 2013 - Oct 2016

Troubleshooted problems and resolved hardware and software issues both onsite and remotely. Handled level two escalations regarding server and VMware infrastructure, as well as evaluate customer environments for improvements and backups.

Technical Support Engineer

ChyronHego UK (formerly Chyron International) | 2008 - 2010

ChyronHego USA (formerly Chyron) | 2004 - 2007

Provided end user phone support and product training for broadcast graphics systems and proprietary broadcast products.
